Pastors - WORD CHURCH
of SPIRIT OF TRUTH MINISTRIES, Int'l

Rich & Jane invite you to join us
at **WORD CHURCH**
... where the Eagles gather!

Special Needed Items To Pray About:

??We need prayer warriors
and intercessors to pray
for and intercede for
these new meetings and
their planning.

??We need "workers" to
help us in the setup and
the teardown of the
meetings, sound system,
tables, etc.

??We need staff members
who will commit to be a
regular, dependable part
of our church staff

Stepping It Up!

- Folks, WE ARE HERE! -
The time has come! This
thing has been in my spirit
for MONTHS! And God has
been revealing ideas, and
designs, ministries and
ventures of outreach, and
well, you name it!

But now, WE ARE HERE!
We are actually meeting,
and we are seeing our
numbers grow weekly! I
got a call from the Dallas/
Fort Worth area the other
day saying they're moving
down here and want to join
us! This is growing fast!

We've had calls from folks
who are singers, ushers,
sound and video techs,
professional photographers
and more! I tell you, GOD
is sending His VERY BEST!

We need to be careful,
though! It is very easy to
get caught up in a frenzy of
growth and a big influx of
people, but I'm in this for

the long haul. You see,
you have to ask yourself
this one question: "Did I
come because God told me
to or because it looks it
might be fun?" Then you
have got to make a "firm
and quality decision" about
it. "Do I stay, or do I go?"

You need to settle this.
Make sure you've set your
roots firm. I promise you
the devil will try to come
and "move you on" soon if
you don't settle this, now,
by making a firm and a
quality decision - set your
final decision in the ROCK,
and that's JESUS!

You WILL grow here! Your
life "WILL CHANGE" in this
church. But there is often
pain with growth. Can
God finish what He starts
here? ... in you?

-Pastor Rich -

The product you now see is
the **1st Issue** of our new
Church Newsletter. We
call it, "Where the Eagles
Gather". In case you're not
aware, it's very rare for
eagles to gather in a group!
But you'll find eagles here,
who are here to learn ... to
"fly" higher, "see" farther,
and become *better hunters!*

These eagles are here to
learn and be "greater" than
they were before! They are
here in this church because
they deeply desire to ...
"Step It Up" in their faith
walk with God! They want
to be that group of folks the
others turn to, for guidance,
and for prayer and counsel.
They want to be the living
example of how to be more
like Jesus! They don't claim
to be perfect, but they're
thirsty, and hungry, to get
there! They are "alive" and
both stretching and growing

Meeting Location: ... Round Rock Library

THE MEETINGS HAVE BEGUN! You heard me right!

On April 7th, 2006, WORD CHURCH began holding our weekly Friday night services at 7pm! We meet at the Round Rock Library in their meeting rooms in the back. Good news too! The library "closes" at 6pm on Fridays, which means that we can be as loud as we want to, without bothering anybody! Isn't that great!!

Our meetings are held on Friday evenings at 7pm - sharp! You're welcomed to come earlier if you wanna help us set up, and pray and worship with us after the equipment is set up ... we start equipment setup around 6pm.

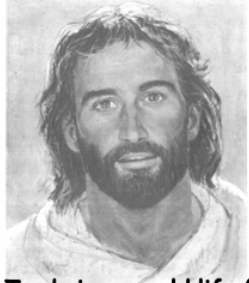

From I-35: come into Round Rock and take the FM620 exit - go East (right) and head into downtown Round Rock. At the traffic light, take a left onto N. Mays, then the next right. You'll see the library just 2 blocks from there, on your right. Please check our new website for events and more info ...

Rich & Jane

Rich Allcorn loves to preach in small town churches, hold outdoor concerts and camping meetings, and one of his favorites are both Cowboy Churches and Motorcycle Rallies!

Serving in field ministry as an evangelist, Rich walks in the office of a prophet, as an evangelist, and teacher, and recently served as Associate Pastor at the Williamson County Cowboy Church in Liberty Hill, Texas.

Rich sings and often performs the music and preaching services at his meetings. He's a down-to-earth sort of guy, and he loves to talk about God. Growing up in West Texas, Rich is, as you might have guessed, naturally "a Cowboy"!

He seems to find common ground with young people and old alike. He almost always travels with his sleeping bag, his backpack, and his Bible, and is ready to minister, whatever the accommodations.

Jane Allcorn is a very warm and fun person! In both godly counsel and in wisdom, she excels! She is also an anointed intercessor and prayer warrior!

Jane is both a preacher and a teacher of the Word of God, and she presents her messages in an easy-to-grasp, practical fashion that sets her apart from all the rest. Folks who have heard Jane speak always want to come back for more!

An example for women who want to be a "Proverbs 31 Woman", Jane teaches seminars on prayer, on "How To Be A Godly Wife", and together with Rich, they make a wonderful team when they teach marriage seminars!

Rich & Jane are both licensed, ordained and degreed ministers, and they look forward to meeting "you"!
